Property Description

Ideally located in the shopping center near Paris, this small two-story building has a total surface area of ??211m². It consists of two commercial premises and two apartments, overlooking a 164m² garden without vis-à-vis. A 30m² outbuilding completes the complex.

Ideal for a professional wishing to live above his business or an investor looking for rental profitability, this old family home located on one of the shopping streets of Malakoff is south-west facing.

Crossing, bright and completely quiet on the garden side, this real estate complex offers multiple development possibilities. In apartments, in a single-family house, or in a co-ownership with two commercial premises, it will satisfy all those looking for a place to reinvent.

Its ideal geographical location, less than a quarter of an hour's walk from the 14th arrondissement, 600 meters from the Malakoff Plateau de Vanves metro station (line 13), and close to all amenities, make it a rare property in the area.

Five cellars complete this property.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
