### Property Description

Imagine an architect's house from the 50s, emblematic of the modern style of the time, overlooking a plot of almost 2 hectares, of which 5000 m2 can be built on. The structure characterized by a flat roof and clean lines, a facade mixing stone, concrete and wood blends harmoniously into the green landscape. Large bay windows offer a panoramic view of nature allowing natural light to flood the interior spaces. Consider this

house as a blank page to write by renovating it to your taste. Its L-shaped plan allows a functional separation between the living rooms and the main sleeping area. A large entrance hall therefore serves a living room with a fireplace and large openings onto nature, a kitchen with a dining area that easily communicates with the living room, then a first bedroom with its bathroom and a toilet. In the opposite wing, the sleeping area offers 4 bedrooms with bathrooms and toilets. Most of the rooms have direct access to the garden, which suggests an original project! This house will be perfect for a main residence and ideal for a weekend home, a liberal profession or why not a yoga retreat center! Renovation work is to be expected but the potential and the environment make it an exclusive property. 10 minutes from Montfort l'Amaury for its amenities. The primary school is in Bazoches sur Guyonne and the kindergarten is in Mareil Le Guyon, very close by.

ENERGY CLASS: E / CLIMATE CLASS: E. Estimated average amount of annual energy expenditure for standard use, established from 2021 energy prices: between EUR2,990 and EUR4,110.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
