Property Description

It is in the heart of Yerres, in a particularly sought-after area of the heights of Mandres les Roses, that this attractive family home of 181m² on the ground is located. Built on a plot of 1350 m², its walls full of history as well as its original soul captivate from the first glance. Once crossed the steps, it is a real country house that is revealed. The "madeleine de Proust" effect is guaranteed. The reception, resolutely spacious, opens

onto the double living room dining room facing the garden. Its old parquet flooring, its period chimney uprights as well as its striking ceiling height, give the place an authentic and inimitable charm. Charm sublimated by its large openings which offer a unique and bucolic panorama on the abundant gardens of the property. A separate fitted and equipped kitchen, storage space as well as a toilet with washbasin complete the level. Upstairs, the sleeping area with its undeniable character offers 3 bedrooms. One of them has a private shower room. A renovated bathroom with toilet completes the level. The converted attic of the building accommodates an additional bedroom as well as a space that can be used as a games room. Like an apartment, the garden level benefits from an optimal layout. Its summer kitchen as well as its shower room with toilet will facilitate the days of the beautiful season spent around the garden and its swimming pool. A reception room as well as several spaces essential to family life complete the level. What can we say about its exteriors where fragrant flowers, flowerbeds and other fruit shrubs brighten up the paths. However, the real treasure is at the back in a renovated swimming pool without vis-à-vis. A few steps away, the old garage has been converted into a workshop, which naturally fits into the decor. The 146m² Carrez of this family home are just waiting for one thing: to be redesigned by its next owners. How can you not be excited about this unexpected living environment just a few kilometers from Paris. A clever mix of authenticity and modernity, Mandres les Roses seduces locals and onlookers in search of a rediscovered sweetness of life. This sleeping beauty has definitely not given up all its secrets. RER D Brunoy: 2000 meters Schools: primary school 850 meters away, middle school 1.5 km away. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
