Property Description

Ideally located in the heart of Meudon, a few steps from transport, shops and schools, this duplex family apartment is nestled on the top two floors of a charming building from the beginning of the 20th century, whose character has been carefully preserved. A true haven of tranquility, it benefits from unobstructed views of Parisian monuments and the surrounding landscapes.

With 124 m² Carrez, the apartment opens onto a large entrance that harmoniously distributes the reception rooms. The 29 m² living room, bathed in light thanks to its two large windows, is distinguished by its 3.20 m high ceiling, its refined moldings and its Hungarian-point parquet flooring, all details that bear witness to the charm of yesteryear. This living room opens onto a pleasant 10 m² balcony, a true outdoor extension, which offers a breathtaking panoramic view of the surroundings. A unique setting to savor the tranquility of the place.

The entrance also serves a separate, functional and well-appointed kitchen, and a warm dining room ideal for family meals. A first bedroom of 15 m², equipped with custom-made storage cupboards, completes this level. It also benefits from access to the balcony and this breathtaking view.

A spiral staircase leads to the upper floor, dedicated to the sleeping area. The latter offers three beautiful bedrooms with generous volumes, all decorated with their period parquet flooring and benefiting from this view, the real common thread of the apartment. Two of them have built-in cupboards, and the whole is completed by a family bathroom, equipped with both a bathtub and a shower.

Two cellars complete the services of this apartment which elegantly combines the charm of the old, the functionality of a family property and unobstructed views that invite themselves into each room. A true haven of peace, it offers a unique living environment, combining tranquility and proximity to amenities, in the heart of Meudon.

Finally, an independent studio of 14.5 m², with shower room and WC, is offered in addition. The latter, which can be connected to the upper floor of the duplex, offers multiple possibilities: fifth bedroom, office or independent accommodation.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
