Property Description

Ideally located between Parc Monceau and the Saint-Augustin church, this superb fully furnished apartment of 64.55 m² (52.30 m² Carrez) is nestled on the sixth and top floor by elevator of a luxury building completely renovated in 2020. With its common areas with high-end services, this building seduces from the entrance with its elegance and refinement.

The apartment, completely redesigned by an architect, offers a contemporary living environment.

From the entrance, a large living room of around thirty m² is bathed in light thanks to a beautiful ceiling height reaching 3.60 meters at the ridge and a row of three windows completed by a zenithal glass roof.

This open space is intelligently structured around various custom-made fittings: a dressing room and a bench to delimit the entrance, a storage wall and a bookcase for more functionality in the living room, as well as an open kitchen/diner. This one, a real gem, seduces with its finishes: granite worktop, zelliges splashback, complete integrated household appliances (fridge, freezer, oven, microwave, dishwasher, induction hob with integrated hood, wine cellar).

A hallway decorated with a bookcase leads to the night area including a comfortable bedroom with custom storage: dressing room, headboard with bookcase and bedside tables, as well as an office space.

The adjoining bathroom is not to be outdone with its quality materials and custom storage hiding, among other things, a washing machine for even more functionality.

The high-end finishes and furniture, punctuated with signed pieces, offer a unique experience of comfort and functionality.

The entire apartment includes a reversible air conditioning system.

This rare property also benefits from the presence of a caretaker in the building and a large converted cellar.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
