Property Description

Located in Auteuil Sud district, in the immediate vicinity of the Exelmans metro station, this remarkable 205.29 sqm duplex (203.68 sqm Carrez law) occupies the 4th and 5th floors, served by elevator, of an elegant 1930s building of very good standing.

Crossing the threshold, the eye is immediately caught by the cathedral living room, where the 5.90 meter high ceilings and two large full-height glass roofs impose a striking presence.

Natural light reigns supreme, enhancing the vertical architecture and generous volumes. In its extension, a corner dining room, elegantly delimited by a Mondrian-style glass partition, benefits from a double exposure thanks to four large windows.

The kitchen is independent and fully equipped.

Also on this level, a spacious master suite accommodates a custom-made dressing room and a vast marble bathroom. The toilet is separate.

From the entrance, a comfortable staircase leads to the 5th floor, where a mezzanine overlooking the living room opens onto a hallway distributing three bedrooms, two bathrooms, several custom-made dressing rooms, a laundry area and a separate toilet.

In addition, a double cellar of 16 sqm completes this rare property, located in a well-maintained building with caretaker.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
