Property Description

In the heart of a pretty village close to major roads and amenities, the quality renovation of this beautiful old house makes it a gem where you just have to put down your suitcases! Beautiful volumes, brightness, the charm of the stone, and an atypical layout are assets that will charm you in every way. The vast main entrance leads to a very pleasant living room filled with light, divided into a lounge area with a fireplace and

an open dining area a few steps higher. In the extension, we discover a spacious fitted kitchen with dining area with access to the main garden and the terrace. A second, more intimate living room has been created in a magnificent vaulted room on the garden level. Finally, a toilet and a laundry room which opens onto a second small garden complete this first living space. Upstairs, a first level offers 2 pretty bedrooms and a bathroom with a shower and bathtub. Then, half-levels offer: On one side, a third cathedral bedroom with private access for a teenager looking for independence or an office dedicated to a liberal profession. On the other side, an office space and a charming master suite with bathroom and dressing room. A large terrace overlooks a very pretty wooded and walled garden as well as an exceptional barn of approximately 90 m² on the ground, in which you can give free rein to your imagination. Ideal for a craftsman or a professional activity, a gîte, or even studios dedicated to AirBnb. Finally, access from the terrace to a beautiful vaulted cellar. This charming house is located 5 minutes from the A13 axis and major shopping centers. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
