Property Description

Exclusivity - Elegance best describes this beautiful and spacious bastide in the lovely vilage of Flassans, set in a large garden of 2506 m².

This home has been designed by the present owner. Constructed with quality materials, it has been finished in a modern style that makes all of its rooms spacious, light and airy.

From the entry hall one enters the 49 m² living space with open kitchen where three sets of patio doors open out onto the front terrace and the garden.

There is a separate office and a laundry room.

At the pool side of the house there is another livingroom and semi open kitchen, opening out onto the swimming pool terrace.

On the first floor there are 6 spacious bedrooms ranging in size between 13 and 20 m². 2 en- suite bedrooms, 4 bedrooms and 2 further bathrooms with bath and shower and 2 separate toilets.

The house has light coloured tiled floors throughout. Combined with a decor of natural wood and white doors and windows, this gives the house a very elegant and serene style.

The garden boasts two swimming pools surrounded by a large pool terrace, with an outside kitchen. A 6 x 10 pool of 2 meters deep and a 6 x 2 area of 80 cm deep. Throughout the rest of the garden different terraces and seating areas have been created. At the entry side of the house is a spacious parking.

The garden is fully closed.

The house is equipped with fibre internet, it is heated with individual electric heaters and 2 stoves and has been fitted with an alarm.

The house is situated in a very quiet and provencal area, yet close to the motorway, and within easy reach of beaches, two airports and towns like Aix-en-Provence and Cannes.

A stylish opportunity !

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
