### Property Description

Within a secure and closed domain, nestled at the end of a carefully maintained and flowered alley, you will discover a magnificent villa of 400 m<sup>2</sup>, built on land of more than 3000 m<sup>2</sup>.

This majestic building with perfect proportions welcomes you with a large entrance. The raised part includes

a separate kitchen with access to a covered terrace, offering a cocooning atmosphere, a very large living room facing south, two bedrooms with private shower rooms, and an office. Beautiful stairs lead you to the upper floor where you will find a large master suite with its dressing room and white marble bathroom. Two other bedrooms with private shower rooms complete this floor. On the terrace, you will discover a real Scandinavian sauna entirely made of wood, with a clear view.

From this floor you can access the back of the house and its infinity pool. The swimming pool, a true haven of peace and relaxation, is accompanied by a summer kitchen and a shaded dining room.

The garden level houses a two-room apartment, accessible by an internal staircase, but also having an independent entrance, thus making it completely autonomous.

Finally, a very large garage and four or five parking spaces complete this exceptional property.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
