### Property Description

This beautifully renovated property sits in a quiet, elevated position only a 15 minute walk to the medieval village of Biot.

Renovated to a very high standard the villa has a living room with vaulted ceilings, dining room and kitchen

that all lead out to the pool terrace. Two covered terraces, each with vaulted ceilings, provide cosy outdoor entertaining spaces and give much needed shade for relaxing with friends and outdoor dining.

The south facing garden and pool sit on top of a small hill which allows for beautiful views of the surrounding hills and mountains in each direction. There is even a glimpse of the sea from parts of the garden and from the upstairs bedrooms. The north side of the house also has a large terrace which is excellent for escaping the summer sun and a view that reaches to the mountains of Italy.

Inside, the villa boasts 6 bedrooms and 5 bathrooms - 2 bedrooms on garden level, 2 on entrance level, including a master suite with sitting room and two bedrooms upstairs. A very practical laundry room is located near the kitchen.

At garden level there is a large games room/tv room and a very spacious garage (58 m<sup>2</sup>) with gym and office area.

The garden of 1688 m<sup>2</sup> surrounds the house and is vibrantly filled with local palms and flora, olive trees and an orchard with 10 different kinds of fruit trees and a large vegetable garden.

The villa is only 20 minutes from the Nice Airport, 10 minutes from the coast and Antibes and perfectly located to Sophia Antipolis and the international schools of CIV and Mourataglou Academy.

This fantastic home is a must see and won't last long!

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
