The first and second floors of the house were beautifully renovated in 2022, while the garden level and exteriors await renovation, offering exciting potential for customization and enhancement.

The house, spread over three levels, comprises:

Ground floor: To be renovated, it includes an entrance hall, a cellar, an 80 m² room to be fitted out, a laundry room, and an office, all opening onto a large covered terrace.

First floor: Renovated in 2022, featuring a living room opening onto a terrace with views of the forest garden and pool, three bedrooms with garden access, and two bathrooms with showers and toilets.

Second floor: Renovated in 2022, it includes a master suite with double dressing rooms, a bathroom with shower, bathtub, and toilets, opening onto two rooftop terraces.

The exterior spaces, requiring renovation, include a jacuzzi with a pool house, a large stone terrace, a carport for two cars, an outbuilding currently converted into a studio with a mezzanine, and a workshop with a storage shed that can be adapted to your needs. The property features a beautiful, large swimming pool.

It is possible to expand the property with a neighboring $9,000 \text{ m}^2$ non-buildable plot. Part of the $7,000 \text{ m}^2$ land can be detached and is buildable for a floor area of 100 m^2 or 200 m^2 in a $2,000 \text{ m}^2$ zone. Water is supplied by a borehole with a well.
