Property Description

In a spacious garden of 4651 m² with olive trees lies this stylishly renovated bastide of about 150 m², facing south. It is located on the outskirts of Lorgues at 10 min walk from the centre.

Through the beautiful authentic front door, we walk into the entrance hall. To the left we enter the dining

room with wood burner and then into the lounge with beautiful high ceiling and fireplace, with French doors to the terrace and swimming pool. In the lounge is a mezzanine that can serve as an office. To the right of the entrance is the kitchen with utility room and the master bedroom with shower corner, dressing room and private terrace.

A second bedroom is also on this side of the house and a guest toilet.

On the first and second floor are two more bedrooms, each with air conditioning and private bathroom with shower and toilet and wardrobes.

Authentic elements are visible throughout the house: the traditional floor tiles, traditional cupboard doors, wooden beams and rough stone walls.

The house has a climatized wine cellar.

In the garden is the 6 x 12 m swimming pool with its large terrace and spacious pool house.

At the front of the house there is ample parking space and a carport with storage and two more sheds.

The additional potential of this house is twofold:

The terrain can be split up and is constructible. Access for a second house is provided.

The house has great locational potential of at least €10K per month during the high season.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
