Property Description

This spacious villa with large pool and poolhouse has great potential as a large family home or a residence with rental income. At entrance level is a 40 m2 living/dining room with fireplace, a kitchen, 2 bedrooms and a family bath. The lounge opens out to a very nice, large covered terrace overlooking the pool. Two large bedrooms, each with their own shower room are also at garden level but with separate access - making them

ideal for visiting guests or converting to a separate apartment. Garden level has another bedroom, bathroom, laundry room and large cave as well as a one-bedroom apartment with lounge and kitchen.

The garden is nicely landscaped with several mature palm trees and a vegetable garden. The large swimming pool has a poolhouse with summer kitchen and a shower room. The property has plenty of parking space for several cars and a carport. The property's location provides easy access to shops and commerce but in a quiet residential neighbourhood.

The roof was redone less than 10 years ago. Double glazing. Great potential - only cosmetic renovations required to bring the villa up to date.

Great property for a large family or those looking for rental income.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
