Property Description

Living in Boulbon means enjoying the charm of an authentic Provencal village while remaining close to Avignon and its TGV station. This property consists of 2 adjoining houses of almost identical surface areas forming an "L". One has been completely renovated, the other building requires a complete renovation. They could be connected to form a single one. Indeed, several projects are therefore possible: extension of the first house, rental project of one of the dwellings, guest rooms ... The property is located in a quiet street a few minutes walk from all amenities and in the heart of Boulbon. The one which is in perfect condition offers a

bright kitchen with exposed wooden beams integrating a dining area, a living room on the ground floor and guest toilets. On the first floor, 2 comfortable bedrooms with 1 shower room and toilet. On the second floor, 2 bedrooms, one of which is particularly spacious. Outside, a 335 m² courtyard with a wooden terrace is shaded by a magnificent plane tree for outdoor meals in the summer and a very useful shelter for storage but which could also have another use (garage, accommodation, summer kitchen, etc.).

Concerning the second dwelling, work is to be expected. On the ground floor: living room, kitchen, garage... on the first floor, 4 bedrooms, shower room, toilet.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
