Property Description

Recently renovated, this house is located in a sought-after area of the Alpilles a few minutes from the center of Paradou.

It embodies the charm of a traditional farmhouse while offering modern comfort. The result of the harmonious union of two buildings, this house has been completely redesigned with noble materials and light

tones, creating warm spaces. The interior tastefully combines old-world charm with contemporary comfort (exposed stone, original floors and beams. It is highlighted by the choice of a sober and elegant decoration. On the garden level, this residence has an elegant Bulthaup walnut kitchen with a custom-made worktop and a dining area with a pantry. A small living room dedicated to reading leads to a spacious living room with fireplace. Upstairs, a master suite with wardrobe and adjoining bathroom, an intimate library, as well as 2 additional bedrooms with a bathroom complete this level. Finally, under the eaves, a bedroom, a shower room and a large office that could be transformed into a fifth bedroom.

The rooms offer lovely open views of the garden, reinforcing the feeling of space and natural light.

The garden of this property benefits from century-old trees with listed birches. The 15 x 3.5 m swimming pool, all in length, is ideal for swimming. Lighting has been provided and automatic watering is supplied by a borehole. A covered terrace serves as a summer lounge and houses the technical room.

The roof has been completely redone and the house has other various equipment (electric terminal, electric gate, videophone). There is underfloor heating and a ducted system for optimal comfort.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
