Property Description

Located off a small country lane just outside the medieval village of Correns, La Toscane and imposing villa built in the Etruscan style using old stone, imported from Italy, and centred around the courtyard with a large swimming pool in the middle.

It's located in the very heart of Provence Verte, the premiere organic vineyard region of the Var and rests om

3 hectares in a wooded pastoral setting. You can walk out of the front door and look at plush greenery as far as the eye can see and watch the sun setting over the majestic mountains.

On the garden level is a large independent apartment of 80 m², ideal for guests or for a live-in caretaker. On this level is also a double garage and a workshop area.

The main accommodation is reached via a stone stairway that leads to an entrance hall and a magnificent living room with a grand fireplace. There is a large separate dining room and a well equipped open-plan kitchen. Four of the seven bedrooms lead directly to the pool area. Kitchen, dining room and salon also open to the courtyard and the heated pool.

Around the pool are sun terrace, shaded loggia terrace, summer kitchen, lawn and rose garden.

Independent water system via two drilled wells makes the property completely self-sufficient.

This is an extraordinary property of great quality which must be viewed to appreciate in full. Ideal for large family gatherings, for Bed and Breakfast activity or for holiday lettings.

Very solid construction, however, some renovation work to bring the property up to date.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
