Property Description

New apartments are not for sale often, so close to Monaco in Cap d'Ail. At the end of a sinuous pass winding from the cornice, a contemporary and mineral silhouette is drawn, dressed in green roofs. The two built lines that follow the slope of the hill offer breathtaking views of the jagged coastline and the steep hills of the Cape.

A unique residence in the heart of the city centre and its amenities. At the gates of Italy, on the steep line of the French Riviera, there is a charming promontory under Monegasque influence. You can buy an apartment here and live in a prestigious destination since the Belle Époque. Cap d'Ail is a site for walks and a botanical trail popular with lovers of the authentic Mediterranean. A village perched on the cliff, a green setting overlooking the sea, it offers an ideal location 9 minutes from Monaco and its pleasures.

A confidential address on the Mediterranean, escape at leisure by train or the A8 to reach Monaco, Marseille and Nice. It is a jewel to discover and experience all year round.

Elegance is at the heart of everything near Monaco

At the end of a sinuous pass winding from the cornice, a contemporary and mineral silhouette is drawn, dressed in green roofs. Whether you live in a studio or a 4-room apartment, your apartment is bright and functional, the circulation fluid, and the temperature pleasant in summer and winter.

Designed for Mediterranean life, most stays are extended outside by large terraces and balconies that can be converted. You can enjoy the fresh air coming from the coast and the always blue sky.
