Property Description

With its great panorama declined on the coast, Nice Côte d'Azur takes shape between golden beaches, secret coves and a seabed with a thousand colours. This corner of paradise is conducive to all pleasures in an authentic and unique setting where an incredible sweetness of life reigns.

A true jewel of the Côte d'Azur, Nice has always inspired artists with its coastline and rich heritage. With its very famous Promenade des Anglais, its narrow and colourful alleys where one perceives the authenticity and the character of this city and its emblematic places like the Negresco, Nice calls for relaxation on its Riviera. Renovated apartments in Belle Epoque building centre Nice

In this cult and soothing setting, this residence takes place a few steps from the port and the old town. On the rue Arson, we find a series of brightly coloured buildings. Dotted with wrought iron balconies with refined details, the facade recalls these typical buildings of the Belle Epoque. Behind these sculpted walls hide 49 apartments that have been entirely renovated in keeping with the building's attractions.

Each apartment uses the charm of the old in a new light, with remarkable services and superior materials. Villa Verani has been renovated to meet the ecological challenges of tomorrow by offering sustainable and eco-responsible solutions. Each accommodation complies with the new standards and is more efficient by exceeding the thermal requirements set by the State.
