Property Description

Menton is a pure concentrate of the best the Côte d'Azur can offer its inhabitants. A top-rated seaside resort, it has managed to preserve its Provençal authenticity, as illustrated by the exceptional beauty of its old town with its Saint-Michel basilica. Proclaimed city of the arts as indicated by its coat of arms, "Artium Civitas", with its summer concerts of classical music and its exhibitions at the new Palais Cocteau, Menton is also and above all, the city of gardens and lemons, with its famous Festival.

If the Principality is known for its glamour and its splendour, it is today significantly acclaimed for its economic dynamism. With its 2,000 companies and 50,000 jobs, Monaco has become one of the most important business centres in the southern region. This economic attractiveness extends by capillarity towards the east of the Alpes-Maritimes department and constitutes a new era of prosperity for the entire Menton basin.

The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.
