Property Description

A historic destination for world tourism, the city of angels cultivates the Mediterranean way of life in a unique way.

Celebrated for the mildness of its wonderful climate - 300 days of sunshine a year - Nice is a city that is both

authentic, endearing and modern.

Its Baie des Anges bordered by the mythical Promenade des Anglais with its palaces and Belle Epoque palaces, the Latin charm of the squares of old Nice, its green corridor which has become a central park à la niçoise make the beautiful capital of the Riviera a place of single life.

Among thousand-year-old olive trees, palm trees and flowering laurels, this new real estate program in Nice is nestled in a rare place to live, offering much more than an exceptional view.

Away from the hustle and bustle of the city, here the clean air, the blue sky and full sun combine perfectly with the calm of this former countryside of the great families of Nice.

A few minutes from the heart of the city, this new program in Nice benefits from all the services and amenities you may need. You can easily get to the international airport, the access to the A8 motorway and the Arénas and Éco-Vallée business districts or even the Archet hospital and the Carbone university center , all close.

In addition, the 2nd tram line - with a stop at the foot of the hill - now connects the east and west of Nice. Museums, natural park, mini-golf, private beaches and shopping district are nearby.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
