### Property Description

Saint Laurent du Var is a popular town at the gates of Nice, between the banks of the Var and the beaches of the Baie des Anges.

Its authentic alleys of its preserved old village bring serenity and its modern and dynamic seaside give a

holiday feeling all year round.

Promising through the development of the major centers of attraction of the Eco-Vallée and the many large-scale projects surrounding it, it is in the process of becoming a strategic address for building up a high-quality and future-oriented heritage.

This dynamic will be reinforced by the arrival of line 4 of the tramway just 300 m from the residence, by 2026.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
