### Property Description

This splendid single storey villa from 2004 was completely renovated 2 years ago.

The property of 253 m<sup>2</sup> is divided in a main house and two separate appartments, that can be integrated into the main house.

The main villa of 173 m<sup>2</sup> has a spacious and light 58 m<sup>2</sup> living room with large sliding doors opening out onto the partially covered terrace.

There is a large kitchen with its utility room, an office which can be used as a bedroom, a shower room, a mastersuite with walk in wardrobe and bathroom and another three bedrooms and two bathrooms.

Next to the main house are two lovingly styled apartments of 35 m<sup>2</sup> and 45 m<sup>2</sup> with 3 bedrooms and 2 shower rooms.

The apartments are rented as holiday rentals and have a very high rental occupancy rate, excellent ratings and return clients.

This property lies in a well tended, unoverlooked garden of 2500 m<sup>2</sup> with its swimming pool, balls court and ample parking space. The garden is fully closed and has an electric gate.

The villa has very low energy costs due to its 24 solar panels, a solar heated water boiler and good insulation. It is equipped with a videophone and an alarm system.

The location is excellent: close to the shops, 5 mins walking distance from the charming village of Aups, 14 mins from the Gorges du Verdon.

This property is a unique opportunity for a holiday rental business or a large family.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
