### Property Description

New Build Apartment Agua Marina for sale on .  
NEW RESIDENTIAL COMPLEX IN MIJAS COSTA

Newly built residential complex in a beautiful location in Las Lagunas de Mijas, Spain.

There are only 36 apartments in the complex, which guarantees your privacy and tranquility.

All apartments have a wonderful view of the sea. The infrastructure of the complex includes everything you need for a comfortable life: a secure area, natural and design landscaping, swimming pools for adults and children, gym, golf course, petanque court.

This is your destination, where you come to take a second wind.

A personal refuge to recharge your batteries in a very quiet place 700 metres from the sea, suitable for all moods: the idleness mode where you just lie by the sea and move only as a last resort, or the discovery mode where you try all the entertainment you can find there.

The atmosphere of the Spanish coast has the power to make you happy, no matter your state of mind. In this sense, a brilliant life adapts to you. It unites all these states into one - the sun, which will be your companion for 320 days a year. In your second home, it's always warm: for your soul and your body.
