On the first floor we have 2 large bedrooms with a large terrace from the master bedroom and the second bedroom and 1 bathroom. Private garden with

off road parking. Options for a rooftop solarium and private pool with an additional cost. San Pedro del Pinatar's privileged location on the Mar Menor and the Mediterranean coastline attracts sailing and water sports enthusiasts, with a marina and sailing clubs, while the beaches and natural mud baths attract those looking for sun, sea and sand in complete safety. San Pedro del Pinatar has a well-established community and offers an excellent range of activities, including an indoor swimming pool and sports facilities, as well as a year-round social activity programme, thanks to a pleasant winter climate. The benefits of the mud baths, typical of the area, or the calm waters of the Mar Menor, have favoured the development of Lo Pagán, which currently has all kinds of facilities.
